Applied AI & Systems Projects

Gloo — Founder (side venture) · buildwithgloo.com
AI studio building custom agents, automations, and internal tools. **Official Loveable Select Partner.**
Shipped an AI call-survey tool for an account management team: 170% more demos, 100% adoption, 20% of quarterly expansion.

I design and prototype practical AI-powered tools that turn messy real-world inputs into structured, decision-ready outputs for customer-facing teams.

Profile

Building high-performing CS teams, driving enterprise expansion, and pioneering AI-driven customer insights. A people-first leader with a CPA foundation and a passion for innovation. I blend finance rigor with hands-on AI experimentation to build go-to-market systems that scale, having led teams managing \$30M+ portfolios with 120%+ quota attainment.

Experience

Vena Solutions — Toronto, ON

Director, Account Management (Nov 2024 – Present)
Director, Customer Success (Aug 2024 – Nov 2024)
Senior Manager / Manager, Customer Success (Aug 2021 – Aug 2024)
Senior Customer Success Manager (Feb 2020 – Aug 2021)
Customer Success Manager (Sep 2019 – Feb 2020)

- Promoted 5× in six years, from CSM to Director, spanning Customer Success and Account Management leadership.
- Hired and led a team of 7 Account Managers managing ~\$3M USD in annual expansion and ~\$30M USD revenue under management, consistently delivering 120%+ quota attainment.
- Oversaw gross retention, upsell, and cross-sell motions across SMB, mid-market, and enterprise portfolios.
- Launched Vena's industry vertical strategy—creating 7 user groups across Banking, Real Estate, Manufacturing, Not-for-Profit, SaaS, Sports, and Hospitality.
- Drove pricing and renewal strategy, embedding it into Salesforce, Gong, Staircase, Gainsight, Seismic, and CPQ workflows.
- Built Vena's business review and engagement framework, scaling adoption across CS and AM teams.
- Collaborated cross-functionally with Professional Services, Sales, Finance, Solutions, Support, and Product.
- 5× President's Club winner (2021–2025) and Vena Core Award recipient for living company values.
- Consistently rated "Exceeds Expectations."

Rogers Communications — Toronto, ON

Senior Financial Analyst, Care Finance (Jan 2018 – Aug 2019)

- Supported forecasting and reporting for Customer Care, partnering with senior leadership on P&L strategy.
- Owned monthly variance analysis and budget cycles for a multi-hundred-million-dollar cost centre, translating operational drivers into financial forecasts.
- Built financial models and business cases that informed staffing and cost-optimization decisions across Care operations.

Ernst & Young (EY) — Toronto, ON

Senior Staff Accountant (Oct 2014 – Dec 2017)

- Led audit engagements for clients in telecommunications and financial services; achieved CPA, CA designation in 2017.
- Managed engagement teams of junior staff—planning fieldwork, reviewing files, and coaching new associates.
- Served as day-to-day client contact for controllers and finance leadership, presenting findings and process-improvement recommendations.
